

Questionnaire:

COVID-19 Safe Work Guidelines

ECM: 204867

Date: September 18th, 2020

Introduction

This questionnaire is part of a COVID-19 screening which takes place prior to the start of work activities on TAQA operated sites. Non-TAQA staff are required to fill in this questionnaire to verify that they comply with the TAQA COVID-19 prevention measures. Contractors are required to verify with their personnel whether or not personnel are able to work on TAQA operated installations in accordance with the TAQA COVID-19 Safe Work Guidelines prior to arriving on-site.
